### AM25手电一体卷帘电机

### AM25 Light Touch Roller Blind Motor

家居自动化 畅享智趣生活

Effortless living begins with home automation

电动卷帘作为住宅及商业空间改造优选解决方案，适配无预留电源线场景，安装便捷无需改造布线。创新手电一体离合设计，告别停电尴尬与操作中断，无需复杂工具即可手动操作；搭载缓启缓停智能调控技术，运行静音平顺、启停柔和无顿挫；电机头采用纤薄精工造型设计，简约大气更易融入空间，可完美适配各类室内卷帘系统，兼具专业性能与美学质感。

This wirefree motor range comes with the integrated rechargeable Li-ion battery which is a perfect solution for residential and commercial renovations, Innovative electric-manual integrated clutch design eliminates embarrassment and operation interruption caused by power outages, enabling manual operation without complex tools. It supports an easy installation & set-up for somewhere without existing power cables. Motor comes with soft start-stop functions enables a silent & smooth movement, slim & thin attractive motor head shape, which is an ideal for interior roller shades.

### 功能特点 FEATURES

超强抗静电  
Anti-Static Up to 30 KV

手拉启动 停电手拉  
Manual Operation During Power Failure

缓启缓停  
Soft start and soft stop

额定电压DC5V, USB-C充电口  
DC 5V Input, USB-C port charging

低电量警告  
Low power warning

双向回馈  
Bi-directional feedback

可配太阳能电池板供电  
Compatible with solar panel power supply

内置可充电电池  
Built-in rechargeable battery

可设置6个电子限位点  
Top and bottom limits, plus 4 favorite stop positions
